Performance targets : The Options granted to the Grantees are not subject to any performance targets.

The remuneration committee of the Company (excluding the interested independent non-executive Director with respect to the Options which he/she has been granted) is of the view that it is appropriate to grant the Options to the Grantees without any performance targets due to the following: (i) issuers generally should not grant equity-based remuneration with performance-related elements to independent non-executive directors pursuant to paragraph E.1.9 of Appendix C1 to the Listing Rules; and (ii) the grant of Options is a recognition for their continued efforts for bringing in objective insights and independent judgement to the Board and the Board committees of which he/she serves as a member, which would contribute to the sustainable development of the Company's business.

Clawback/Lapse mechanism : All Options shall lapse automatically and not be exercisable under certain circumstances specified in the Share Option Scheme, including the occurrence of the following: (i) the Grantee ceases to be an eligible participant under the Share Option Scheme by reason of the termination of employment or directorship on the grounds that the Grantee has been guilty of serious misconduct, or appears either to be unable to pay or to have no reasonable prospect of being able to pay his/her debts or has committed any act of bankruptcy or has become insolvent or has made any arrangements or compromise with his/her creditors generally, or has been convicted of any criminal offence involving his/her integrity or honesty or on any other grounds on which an employer would be entitled to terminate his employment summarily; (ii) the expiry of the option period under the Share Option Scheme; and (iii) the commencement of the winding-up of the Company.

No financial assistance : The Group has not provided any financial assistance to the Grantees to facilitate the purchase of Shares under the Share Option Scheme.

The grant of Options to the above Directors has been approved by the independent non-executive Directors (excluding the interested independent non-executive Director with respect to the Options which he/she has been granted) in accordance with the Listing Rules and the rules governing the Share Option Scheme. Each of the Grantees who is a Director has abstained from voting as far as the Board resolution for the approval of the grant of Options to each of them was concerned.

The purposes of the Share Option Scheme are (i) to align the interests of eligible participants with those of the Company and its shareholders as a whole; (ii) to motivate and attract eligible participants to enhance the value of the Company and its Shares for the benefits of the Company and eligible participants; and (iii) to recognize and encourage eligible participants to make contributions to the long-term growth and profits of the Group. The remuneration committee of the Company believes that the grant of Options is appropriate and in line with the market practice and the purposes of the Share Option Scheme.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, save as disclosed herein, none of the Grantees is (i) a Director, chief executive or substantial shareholder of the Company or their respective associates or otherwise a connected person of the Company; (ii) a participant with awards and options granted and to be granted exceeding 1% individual limit under the Listing Rules; and (iii) a related entity participant or service provider with awards and options granted and to be granted in any 12-month period exceeding 0.1% of the issued Shares.

The grant of Options will be satisfied by issuance of new Shares within the scheme mandate limit under the Share Option Scheme. After the above grant of Options, 502,984,034 and 10,476,863 underlying Shares will be available for future grant under the scheme mandate limit and service provider sublimit, respectively of the Share Option Scheme and any other share scheme of the Company.
